## Rave Reviews:

### "16 Listings In The First 45 Days!"

"The system works! Within just 3 weeks of listening to your training, probably not even - I was getting consistent leads and calls back. I got 16 listings in just under 45 days! I was shocked...I have been in the business for over 5 yrs and thought that I was relatively successful until this - my secretary couldn't believe it! -- Connie M.

### "This Is The Best Seminar!"

"I continue to believe that this is the best seminar I have ever attended. The manner in which Todd approaches the subject matter is brutally honest, direct, and to the point. There isn't anyone I have talked to at any training that comes close to getting straight to the point like Todd does." -- Rory R.

### "Over \$5 Million In New Business!"

"Since attending your seminar last month, I've added over 5 Million in new business to my books. That's pretty good considering I didn't close that much business all of last year!" -- Wendy T.

"★★★★★" This program has been just fantastic. I always wanted to be just a buyer's agent but it's difficult without listings to attract buyers. These systems were up and running and within a month I had written three contracts and have several buyers getting ready to start looking. I couldn't be more thrilled. Implementation is easy when you are given an assignment and it must be completed by the following weekly call. Thanks again and I highly recommend the Todd Bates Systems.

**Mike Bolen** I used to until I attended your LA seminar years ago and subscribed to [www.ToddBatesSystems.com](http://www.ToddBatesSystems.com) 1 years ago and now I have been employing those strategies for years. Last year I was the #1 selling RE/MAX agent in Napa Valley and this year I have blown the doors off my numbers from last year! I owe much of that to you. Thank you Todd!
